# INSTRUCTIONS

Students must gather information related to possible situations on the net related to people's behaviour, and awareness of how to build digital relationships in safe environments.

Taking into account those facts make a presentation to talk about your perspective on the role of English as a tool to build a modern cyber citizen.

# INSTRUCTIONS

You may use some supporting visual aids such as images or photographs in the context.

This activity aims to assess your speaking skills, not the reading ones, so make sure you prepare what you are about to say and do not use extra help.  
You must speak in a natural and fluent pace.
